### *seARTS Uncorked – The Art of Food & Wine Pairing*

Across nearly every age, wining and dining have been part of artistic imagery. Today, wine and food-related decorations and accessories are also enjoying huge popularity. seARTS would like to feature a show & sale of such handmade or hand-decorated items at our upcoming fall benefit, "seARTS Uncorked: The Art of Wine & Food Pairing." Here are some ideas and we welcome more.

- Wine glasses, pitchers, openers, bottles, decanters, stands
- Serving trays, and other pieces
- Wine racks
- Wine glass “charms”

#### **Donation Guidelines and Terms:**

seARTS will accept up to three items from each participant. The total depends on the space available and the number of entries. Each item must be marked for sale. seARTS is requesting for each artist to donate 50% or more toward our annual Fall benefit fundraising efforts. 100% donations are very much appreciated and you can specify per piece if you are presenting more than one piece.

Please fill out the application below and send representative photos (up to three) to seARTS at [searts2009@gmail.com](mailto:searts2009@gmail.com).
